FYI - yes, sampling next week will happen in Dimock. Don't know if you've talked to any of these folks. Names don't look familiar to me.

We know you're sampling in Bradford & Susquehanna Counties next week. Will you be sampling in Dimock? Whether you are, or not, we should talk about very recent issues relating to residents whose wells may have been affected by a Cabot well (the subject of a consent agreement).

Please let us know if you're sampling in Dimock. Thanks!--Vicky
